Dear Parents,

## **Fees with effect from September 2024.**

The Governing Body of Mayfield met recently to set the budget and to determine the fees for the forthcoming academic year. After detailed and careful discussions, the meeting resolved that the termly fees with effect from 1.9.24 will be as follows:

Pre-Nursery (3 days)- £2445.00

Pre-Nursery (4 days)- £3260.00

Pre-Nursery (5 days)- £3995.00

Nursery - £3995.00

Kindergarten - £3995.00

All other years - £4075.00

Please be advised that in the event of the next Government implementing a policy that increases independent school costs, such as to charge VAT on private school fees, the Governors reserve the right to increase these fees during the 2024/25 academic year.

Yours sincerely,

David M. Milne.  
Clerk to the Governors.
